## Spirit

Acts 1:8

You will receive  
the power when  
the Holy Spirit  
comes on you;  
and you will be  
my witnesses..

The church becomes irrelevant when it becomes purely a human creation. We are not all we were made to be when everything in our lives and churches can be explained apart from the work and presence of the Spirit of God.

- from "forgotten God" by francis chan -

Hope you have been waiting for this - Flood LA 2010! Last year God called all of us to the life of disciples and many answered God's calling upon their lives. This year we believe that God is calling us to focus on one of the most important elements in the lives of all disciples - the Holy Spirit. There is no way we can expect to live out our calling to its fullest without the power of Holy Spirit in us as well as in the lives of our church. We see the radical and explosive changes early believers made in their times as God's powerful witnesses after they received the power of the Holy Spirit in the book of Acts. We feel that God is going to release His Spirit over us at Flood LA 2010 as He did in Acts 1:8. We hope you join us and experience the power of His Spirit.
